

# Here's What's New

**Main Menu**— A new and easy to use straightforward navigation. Access any page of the Support Center from the Main Menu.

**Icons** — The number and type of icons you see are specific to your Deltek Support Center role/permissions.

**Notifications**— Display important Deltek Support and product related alerts and announcements. By default notifications display on login but you can disable this in **My Account**.

**My Account**— Edit your contact information, preferences, and view your Customer Care Maintenance Plan.

**Search Knowledge Base** — Utilize the search to find answers to your questions, browse Product Guides, Release Notes, forum posts, and other product related information.

**Manage Cases**— Check the status, view details, and update your support cases. Previously called My Support Cases.

**Manage Company Contacts**— Manage your company support contacts and access levels to the Support Portal. Previously called Contact Management.

**Trending Topics** — View the most popular topics accessed over the last 30 days.

**Select Language**— Select a language to translate the website into.

**Feedback**— We'd love to hear about your new Support Center experience.

**Contact Us**— Access the Deltek Support's contact information and hours of availability
