What Our Customers Have to Say...

"It's almost like we are processing payroll in house and then we hit a button and you guys [Deltek + ComputerEase] process and take it from there from the taxes and all the logistical part of the payments."

– Andy Toth, Chief Financial Officer at GEMCO Constructors

"We chose Deltek + ComputerEase Payroll Services because of its ease of use and integration with our current systems. It has allowed our admin staff to spend less time on the payroll activities and focus more on serving our customers. It has been a huge advantage to have your team file monthly/quarterly taxes, as well as handle the W-2s this year."

– Charlie Fischer Jr., Sales Manager at Craftsman Electric

"Deltek + ComputerEase Payroll Services makes reconciling a piece of cake... Everything goes to 0. The super-fast, automated upload... gives us an extra day to process payroll. It is a value-added service that makes CE Software an even better construction software program. And they have the kind of customer service that builds loyalty."

– Robert Parkhurst, Chief Financial Officer at Schwager Davis Inc.
