

Accurate Reporting & Forecasts

- At a glance access to resources, teams and departments
- Identify backlog and future capacity needs
- Forecast hours and resource needs by days, weeks or months
- Use the interactive list of reports by project or resource

The screenshot shows the Deltek Vantagepoint Reporting interface. The main content area displays a table titled 'Reporting' with the filter 'Planned v. Actual by Employee'. The table lists resources and their utilization across various time periods. The left sidebar contains navigation menus for Resource Management, Proposals, Billing, Transaction Center, and Cash Management.
